## Semester 2 notes

*CHE140 are offered internally or externally in both Semesters.  
If exempt from CHE140 due to achieving an ATAR of 60 or more for Chemistry, select a 100 Level General Elective.*

**Please note:** This course plan is a sample only and must be read in conjunction with the full course structure, unit prerequisites and enrolment options as outlined in the [Handbook](#). Students should note that due to unit prerequisites, **commencing study in Semester 2 will extend the duration of the course**. This information is correct as at 25/03/24.
