## Sample Enrolment Plan for students commencing in Semester 2, 2021

This sample enrolment plan is based on the 2021 course structure and offerings. It is the responsibility of students to ensure the correct availability of units in each semester of each academic year.

Students are encouraged to consider taking a **second major** (e.g. Global Media & Communication; Strategic Communication; Web Communication). The sample enrolment plan will be different if you take two majors: consult the Academic Chairs of **both majors** to get the correct advice.
