

B1355 - Bachelor of Laws / Bachelor of Sciences (Psychology) – 120 points – 5 years
Sample Enrolment Plan for students commencing in Semester 1, 2022

Academic Chair – Kirsty Fentiman (email: k.fentiman@murdoch.edu.au)

This sample enrolment plan is based on the 2022 course structure and offerings. It is the responsibility of students to ensure the correct availability of units in each semester of each academic year.

This plan is for students enrolled full-time over the course of their degree. The expected workload for each 3-point units is 10 hours per week per unit. Students should consider all their commitments and factor the study workload level in when planning their course structure. Students studying part-time must meet the same requirements but over a longer period of time. For accreditation purposes, the Legal Practice Board of WA may require that your degree is completed within a shorter timeframe than the twelve years permitted under the coursework regulations. Students who may take longer than 10 years to complete their degree should seek advice from the Academic Chair.

***Murdoch Spine: Career learning Units**

Students must complete 2 career spine units in addition to the compulsory first year MSP100 unit during their studies. There are a range of units that can be used to fulfil that requirement including many LLB units. You do not need to take the career spine units in the order suggested. You can swap the enrolment order of LLB specified electives and career spine units if you wish. Refer to the University Handbook published in the academic year you intend to complete them.

Psychology Units:

Students should contact their Student Advisor or Psychology Academic Chair for advice mapping out their Psychology units; this plan may need to be rearranged.

^ Psychology Specified Electives – must take PSY382 OR PSY396

Disclaimer: This course plan is a sample only and must be read in conjunction with the full course structure, unit prerequisites and enrolment options as per the online Handbook. Students should note that due to unit prerequisites, commencing study in semester 2 may extend the duration of the course. Correct as at 15/11/2021.

+Law Specified Electives:

Students must complete 18 points of Law Specified Electives (6 units) during their studies. Some Law Specified Electives are 6 points.

Law Specified Electives are also offered in non-standard teaching periods (such as summer, winter, and trimester teaching periods) and students may undertake Law Specified Electives in those periods instead of during semester.

If students are considering undertaking Honours, please contact the Honours Chair at the end of your third year.
