Bachelor of Arts major in Sustainable Development

Sample Enrolment Plan for students commencing in Semester 2, 2022

This sample enrolment plan is based on the 2022 course structure and offerings. It is the responsibility of students to ensure the correct availability of units in each semester of each academic year.

Students are encouraged to consider taking a **second major** (e.g. Community Development; International Aid and Development; Tourism and Events). The sample enrolment plan will be different if you take two majors: your Academic Chair can provide advice on this.
