Important Course Planning Tips

Course plans and unit offerings may change over the course of your degree. Please ensure you check the online handbook at the beginning of each semester for the most up-to-date course requirements.

On page 4 of this booklet, you can map out a study plan.

When planning which units to study across semesters, make sure you:

- ✓ Put a tick against units you have been awarded from Advanced Standing (if you have been awarded recognition of prior learning)

There are many types of units to map out.

- ✓ **Major Core** units (and **Major Core** units from another major if you are studying an additional major)
- ✓ **Option** units (these can be replaced by **Major Core** units from another major)
- ✓ **Murdoch Spine** units
- ✓ **Course Core** units

To add an additional major, send a message to enrolments via MyAnswers > Ask a Question
