## Notes

\* You can complete Japanese Major with 24 CP of any combinations of JPN units: JPN101, JPN102, JPN201, JPN202, JPN203, JPN301, JPN302, JPN303 (on campus, 3 CP each) and JPN311/410/411/412 Semester in Japan (on exchange, 12 CP, 4 levels). However, these units are sequential, and you normally need to start from JPN101 unless you are an experienced learner. Placement tests are available upon request for experienced learners.

\*\* You are encouraged to consider in-country study for a semester/s on student exchange enrolling in JPN311/410/411/412 Semester in Japan (SIJ). SIJ can be a replacement of JPN301/302/303 and/or your Elective units. More information is available upon request. Please contact Academic Chair.

**Please note:** This course plan is a sample only and must be read in conjunction with the full course structure, unit prerequisites and enrolment options as outlined in the [Handbook](#). Students should note that due to unit prerequisites, commencing study in Semester 2 may extend the duration of the course. This information is correct as at 24/04/24.
