This course plan is for students commencing their course mid-year 2027	
Semester 1 notes	**Semester 2 notes**
Core units: **ART100 and SOC134 should be taken in the first semester of enrolment.** 100-level units are prioritised for first year study. *200-level core units require the completion of 12cp. A 300-level unit should be completed in the final year of enrolment. For further information please discuss with the Academic Chair.	It is recommended the Murdoch Discovery Unit is prioritised in the first year of studies. Students considering the completion of an Honours degree (SOC-H) should prioritise the completion of ART303 Research Project as a specified elective in their final year.

Please note: This course plan is a sample only and must be read in conjunction with the full course structure, unit prerequisites and enrolment options as outlined in the Handbook for your year of commencement. Students should note that due to unit prerequisites, commencing study in Semester 2 may extend the duration of the course. This information is correct as at DD/MM/YY.
