**TOTAL COURSE CREDIT POINTS 72****Course Notes**

The BA course units are in blue. The units in the Sustainable Development major are in green.

\*A Discovery Study Unit should be completed during your studies. The list of Discovery Units is in the Handbook.

The electives listed above are an opportunity to take a second major or a minor, which can widen your career options. Good second majors to take with Sustainable Development include:

Community Development  
International Aid and Development  
Environmental Science and Management  
Conservation and Wildlife Biology  
Tourism and Events

Electives to consider include:

AST250 Society, Culture and Ecology in Asia  
ENV278 Nature-based Tourism; ENV331 Environmental Management; ENV328 Environmental Policy and Law  
POL203 Climate Change, Natural Resources and Conflict  
SOC301 Food Security

Students can also consider taking an overseas immersion, practicum or exchange program for academic credit. For advice on double majors and overseas study opportunities, please contact your Academic Chair.

**Please note:** This course plan is a sample only and must be read in conjunction with the full course structure, unit prerequisites and enrolment options as outlined in the [Handbook](#). This information is correct as at 20/11/2025. The scheduling of listed units in this course plan may be subject to change. Please see the Handbook for scheduling.
