Course Notes

The BA course units are in blue. The units in the Sustainable Development major are in green.

*A Discovery Study Unit should be completed during your studies. The list of Discovery Units is in the Handbook.

The electives listed above are an opportunity to take a second major or a minor, which can widen your career options. Good second majors to take with Sustainable Development include:
Community Development
International Aid and Development
Environmental Science and Management
Conservation and Wildlife Biology
Tourism and Events

Students can also consider taking an overseas immersion, practicum or exchange program for academic credit. For advice on double majors and overseas study opportunities, please contact your Academic Chair.

Please note: This course plan is a sample only and must be read in conjunction with the full course structure, unit prerequisites and enrolment options as outlined in the Handbook. This information is correct as at 20/11/2026. The scheduling of listed units in this course plan may be subject to change. Please see the Handbook for scheduling.
