Sample Enrolment Plan for students commencing in Semester 2, 2022

- This sample enrolment plan is based on the 2022 course structure and offerings. It is the responsibility of students to ensure the correct availability of units in each semester of each academic year.
- Students are encouraged to consider taking a **second major** or **minor** (e.g. Environment, Security and Conflict, Security, Terrorism or Counterterrorism, Gender Studies, Anthropology, International Aid and Development; Indonesian or Japanese language). Languages in particular enhance employability in federal and state government. The sample enrolment plan will be different if you take two majors: your Academic Chair can provide advice on this.
- Green is major core, Blue is spine, Purple is degree core. Note the specified electives are absent.
