\* **Chemistry Background** students who achieved a final scaled score of 50% or more in Chemistry 3A/3B or Chemistry ATAR within the past three years should speak to their academic chair regarding possible exemption.

\*\***Murdoch Spine: Career Learning Unit:** Choose one from the following:

- MSP201 Real World Learning - 3 pts
- VLS302 Professional Placement in Veterinary and Life Sciences - 3 pts

**General Electives** can be an elective unit or units towards a second major/minor. Students should keep in mind the Part 1 rule where no more than ten 100 level units are allowed.

**Disclaimer:** This course plan is a sample only and must be read in conjunction with the full course structure, unit prerequisites and enrolment options as per the online Handbook. This course plan will vary depending on chosen additional majors/minors and your academic progression.

Students should note that due to unit prerequisites, commencing study in semester 2 may extend the duration of the course.
