Notes

1. Students who wish to enrol in embedded honours should seek advice from the Honours Committee Chair towards the end of second year.
2. Students must complete 8 Law Specified Electives (24 points) during the course of their studies.
3. Law Specified Electives are also offered in nonstandard teaching periods (such as summer and winter) and students may undertake Law Specified Electives in those periods instead of during semester.
4. *Students must complete 2 career spine units in addition to the compulsory first year MSP100 unit during the course of their studies. There are a range of units that can be used to fulfil that requirement including many LLB units. Students do not need to take the career spine units in the order suggested. They can swap the enrolment order of LLB specified electives and career spine units if they wish.
5. This plan provides information for students who are enrolled full time over the course of their studies. Part time students are required to fulfil the same requirements as are set out in the plan but can do so over a period of up to ten years.
