Notes

- Students who wish to enrol in embedded honours should seek advice from the Honours Committee Chair towards the end of second year.
- Students must complete 8 x Law Specified Electives (24 points) from the list of Course Core Specified Electives at <https://handbook.murdoch.edu.au/courses/02/B1395?year=2021> in their course. Law Specified Electives are also offered in non-standard teaching periods (such as summer and winter) and students may undertake Law Specified Electives in those periods instead of during semester.
- Students must complete MSP100 (3 points) plus 2 x 2nd/3rd year level career spine units (6 points) from the list of Spine Specified Electives at <https://handbook.murdoch.edu.au/courses/02/B1395> in their course. Students do not need to take the career spine units in the order suggested. They can swap the enrolment order of Law specified electives and career spine units if they wish.

4. This plan provides information for students who are enrolled full time over the course of their studies. Part time students are required to fulfil the same requirements as are set out in the plan but can do so over a period of up to ten years.
