Start Date: **Semester 2, 2026**

This sample enrolment plan is based on the 2026 course structure and offerings. It is the responsibility of students to ensure the correct availability of units in each semester of each academic year. See Handbook - <https://handbook.murdoch.edu.au/>

This plan is for students enrolled full-time over the course of their degree. The expected workload for each 3-point units is 10 hours per week per unit. Students should consider all their commitments and factor the study workload level in when planning their course structure. For accreditation purposes, the Legal Practice Board of WA may require that your degree is completed within a shorter timeframe than the twelve years permitted under the coursework regulations. Students who may take longer than ten years to complete their degree should seek advice from the Academic Chair.

**\*\*Murdoch Discovery Study and General Electives**

Students must complete one unit of Discovery Study (3 points). This unit must be outside of the School of Law and Criminology. A list of discovery study units can be found in the Handbook under course structure.

Students must also complete 15 points of General Electives during their studies (non-LLB coded units). There are a range of units that can be used to fulfil that requirement. Refer to the University Handbook published in the academic year you intend to complete them.

**+Law Specified Electives:**

Students must complete 24 points of Law Specified Electives during their studies. Some Law Specified Electives are 6 points. Law Specified Electives are also offered in non-standard teaching periods (such as summer, winter, and trimester teaching periods) and students may undertake Law Specified Electives in those periods instead of during semester.

Students wishing to complete Honours should seek advice from the Honours Academic Chair at the end of Year 2; the Honours program will affect the number of specified electives required to be completed.

**Minor in Technology and Law (MN-TL) – 12 points**

Students who elect to complete the minor will need to use 12 points from the available 24 points of law specified electives.

- LLB326 – Cybercrime and Digital Forensics - (6 points)
- LLB330 – Law Reform and Access to Justice (clinic unit) - (3 points)
- LLB343 – Reimaging Law: Technology and the Future of Law - (3 points)

**Minor in Indigenous Knowledges and Practices (MN-IKP) – 12 points**

If students wish to complete a minor in Indigenous Knowledges and Practices, students must select SIK102 Wandju Boodja (Welcome to Country) from Spine Specified Electives and complete SIK200, SIK201 and SIK300 or COD301. The minor is in place of the points allocated to *general electives*.

**\*\*Recommended General Electives (15 points):**

Choose from any unit in the University where pre-requisite requirements are met. If you are enrolled to complete the **Minor in Indigenous Knowledges and Practices**, you do not take any other general elective units (only the units specified above).

**Special notes:**

LLB260 (Contract) will run in Summer 2026 (December). This is an opportunity to complete a 6pt core unit in a non-standard teaching period. If you decide to take LLB260 in summer, please contact the AC at the end of the semester for advice on units for S1 2027.

This plan is a full-time load. If you want to commence part-time, please complete LLB100 as your first unit as it is a pre-req for all other law units. Contact the AC towards the end of your first semester to discuss a revised / updated plan.

**Disclaimer:**

This course plan is a sample only and must be read in conjunction with the full course structure, unit prerequisites and enrolment options as per the online Handbook. Students should note that due to unit prerequisites, commencing study in semester 2 may extend the duration of the course. Correct as at 24/6/2026. Check the university timetable each year to confirm the teaching period units run as they are subject to change.
