### Sample Enrolment Plan for students commencing in Semester 1, 2023

Academic Chair – Kirsty Fentiman (email: [law.academicchair@murdoch.edu.au](mailto:law.academicchair@murdoch.edu.au))

This sample enrolment plan is based on the 2023 course structure and offerings. It is the responsibility of students to ensure the correct availability of units in each semester of each academic year. See Handbook - <https://handbook.murdoch.edu.au/>.

This plan is for students enrolled full-time over the course of their degree. The expected workload for each 3-point units is 10 hours per week per unit. Students should consider all their commitments and factor the study workload level in when planning their course structure. Students studying part-time must meet the same requirements but over a longer period of time. For accreditation purposes, the Legal Practice Board of WA may require that your degree is completed within a shorter timeframe. Students who may take longer than 10 years to complete their degree should seek advice from the Academic Chair.

#### \*Murdoch Spine: Career learning Units

Students must complete one career spine unit in addition to the compulsory first year MSP100 unit and compulsory MSP200 unit during their studies. There are a range of units that can be used to fulfil the spine elective requirement including many LLB units. You do not need to take the career spine units in the order suggested. It is recommended you take MSP100 in your first year. You can swap the enrolment order of LLB specified electives and career spine units if you wish. Refer to the University Handbook published in the academic year you intend to complete them for timetabling.

#### Information Technology Units (39 points):

Students should contact their Information Technology Academic Chair for advice mapping out their IT units and major; this plan may need to be rearranged. Carefully check the pre-requisite units required.

^ Information Technology Required Units – must take ICT159 and ICT169 and ICT170 and ICT201 and ICT302 (15 points)

^^ Information Technology Major units – 24 points – see list in Handbook for required units for each Major

**Disclaimer: This course plan is a sample only and must be read in conjunction with the full course structure, unit prerequisites and enrolment options as per the online Handbook (<https://handbook.murdoch.edu.au/>). Students should note that due to unit prerequisites, commencing study in semester 2 may extend the duration of the course. Correct as at 28/10/2022.**

**+Law Specified Electives:**

Students must complete 18 points of Law Specified Electives during your studies. Some Law Specified Electives are 6 points.

Law Specified Electives are also offered in non-standard teaching periods (such as summer, winter, and trimester teaching periods) and students may undertake Law Specified Electives in those periods instead of during semester.

If students are considering undertaking Honours, please contact the Honours Chair at the end of your third year.
