Course Core 15 Credit points

Murdoch Spine units can be selected from those listed in the University Handbook published in the academic year the student intends to enrol in them.

Disclaimer: This course plan is a sample only and must be read in conjunction with the full course structure, unit prerequisites and enrolment options as per the online [Handbook](#). This course plan will vary depending on chosen additional majors/minors and your academic progression.

Students should note that due to unit prerequisites, commencing study in semester 2 may extend the duration of the course.

Specified Elective Choose one of the following four units (BIO393, BIO380, ENV331, ENV344); this will leave you with an additional General Elective. Note that BIO393 is offered in the Winter term and ENV344 is offered in the Summer term.

General Electives or Second Major

Part I – Select from any 100 level unit; part II – Select from any 200-300 level units offered by the University, subject to individual unit prerequisites. Students are advised to consider using General Elective points to meet the requirements of a second major or minor.
