

B1409 – Bachelor of Laws / Bachelor of Science – students commencing 2026 onwards

Science Majors: Forensic Biology, Biomedicine, Genetics and Biotechnology and Clinical Laboratory Science

Academic Chair: law.academicchair@murdoch.edu.au

Start Date: Semester 2, 2026

Applicable Science Majors: Forensic Biology, Biomedicine, Genetics and Biotechnology and Clinical Laboratory Science

This Course plan template is **NOT** relevant if you are studying: Environmental Science and Management, Marine Biology or Conservation and Wildlife Biology (see alternative courseplan for B1409).

This sample enrolment plan is based on the 2026 course structure and offerings. It is the responsibility of students to ensure the correct availability of units in each semester of each academic year. See Handbook - <https://handbook.murdoch.edu.au/>

This plan is for students enrolled full-time over the course of their degree. The expected workload for each 3-point units is 10 hours per week per unit. Students should consider all their commitments and factor the study workload level in when planning their course structure. For accreditation purposes, the Legal Practice Board of WA may require that your degree is completed within a shorter timeframe than the twelve years permitted under the coursework regulations. Students who may take longer than 10 years to complete their degree should seek advice from the Academic Chair.

	Semester 1	Semester 2
Year 1		LLB100 Foundations of Law 6pts BMS100 Succeeding in Science^ 3pts Discovery Unit** 3pts 12pts
Year 2	LLB260 Contract 6pts CHE140 Fundamentals of Chemistry^ 3pts BMS101 Introduction to the Human Body^ 3pts 12pts	LLB152 Torts 3pts LLB130 Criminal Law & Procedure 3pts Science Specified Elective^^ BMS107 or MAS183 3pts BMS103 Introduction to Medical, Molecular and Forensic Sciences^ 3pts 12pts
Year 3	LLB253 Property Law A 3pts LLB204 Statutory Interpretation 3pts Science Specified Elective^^ CHE103 or MAS183 3pts Law Specified Elective+ 3pts 12pts	LLB251 Equity 3pts LLB254 Property Law B 3pts BIO152 Cell Biology^ 3pts Law Specified Elective+ 3pts 12pts

Year 6	LLB450 Civil Procedure 3pts LLB468 Ethics & Professional Responsibility 3pts Law Specified Elective+ 3pts Law Specified Elective+ 3pts 12pts	

**Murdoch Discovery Study

Students must complete one unit of Discovery Study (3 points). This unit must be outside of the School of Law and Criminology, School of Medical, Molecular and Forensic Sciences and School of Environmental and Conservation Sciences. There are a range of units that can be used to fulfil that requirement. Refer to the University Handbook published in the academic year you intend to complete it.

Bachelor of Science Units:

Students should contact their Science Major Academic Chair for advice mapping out their science units; this plan may need to be rearranged depending on timetabling of units and major selected.

Science Core Unit^ –15 points: MMFS - [BMS100](#), [BMS101](#), [BMS103](#), [BIO152](#) and [CHE140](#)

Science Specified Electives^^ – if enrolled in Forensic Biology major, must complete [CHE103](#) and [MAS183](#). If enrolled in Biomedicine, Genetics and Biotechnology, or Clinical Laboratory Sciences majors, must complete [BMS107](#) and [MAS183](#).

Science Major+ - 24 points – refer to handbook and consult the AC for your Science major.

+Law Specified Electives+ - Students must complete 18 points of during their studies. Some Law Specified Electives are 6 points. These electives are also offered in non-standard teaching periods (such as summer, winter, and trimester teaching periods) and students may undertake them in those periods instead of during semester.

B1409 – Bachelor of Laws / Bachelor of Science – students commencing 2026 onwards

Science Majors: Forensic Biology, Biomedicine, Genetics and Biotechnology and Clinical Laboratory Science

Note: Students considering applying for Honours should contact the Honours Chair at the end of their third year.

Advanced standing:

If you have been granted advanced standing, please confirm with the Academic Chair how the advanced standing is allocated in your course structure.

Disclaimer:

This course plan is a sample only and must be read in conjunction with the full course structure, unit prerequisites and enrolment options as per the online Handbook. Students should note that due to unit prerequisites, commencing study in semester 2 may extend the duration of the course. Correct as at 24/6/2026 Check the university timetable each year to confirm the teaching period units run as they are subject to change.
