Start Date: **Semester 2 2025**

This sample enrolment plan is based on the 2025 course structure and offerings. It is the responsibility of students to ensure the correct availability of units in each semester of each academic year.

This plan is for students enrolled full-time over the course of their degree. The expected workload for each 3-point units is 10 hours per week per unit. Students should consider all their commitments and factor the study workload level in when planning their course structure. Students who may take longer than 10 years to complete their degree should seek advice from the Academic Chair.
