Notes
* **Discovery Unit** must be selected from a list of approved units that are i) not part of this course plan and ii) not offered by the School of Allied Health or School of Psychology ** PSY380 Psychology Research Placement is available to high-performing students. Contact the PSY380 unit coordinator if you would like to learn more about your eligibility. *** Either of PSY396 Psychology: Cognitive and Developmental Neuroscience OR PSY382 Psychology of Ageing may be taken. ***EXS309 is a full-year unit; you enrol in it in semester 1 and exit it in semester 2.

Please note: This course plan is a sample only and must be read in conjunction with the full course structure, unit prerequisites and enrolment options as outlined in the Handbook. Students should note that due to unit prerequisites, commencing study in Semester 2 may extend the duration of the course. This information is correct as at 21/10/26.
