

**C1153 Graduate Certificate in Education
Major MJ-TM – Teaching Science (Years 7-10)
12 credit points**

Sample Course Plan – Semester 1, 2022 commencement

The recent move to elevate Year 7 into high school curriculum means that a lot of Primary teachers need an extra qualification to teach Science in high school. They need an understanding of the pedagogy/curriculum of Secondary Science. This course fulfils that need. The Graduate Certificate in Education (Secondary Science 7 – 10) is designed for qualified teachers who are interested in upskilling in this area. Core units include pedagogy, curriculum, physics and chemistry.
