CSL576 has pre-requisites of CSL582 and CSL566. Students may be required to extend their training across further semesters if they are unable to successfully complete pre-requisites.	Mid-Year Intake <b>not recommended</b> for students intending to progress to the Master of Counselling. It is recommended that students commence the Master of Counselling in S1 to allow the option for either a year-long solo research project (CSL620) or a year-long group research project (CSL677).

**Please note:** This course plan is a sample only and must be read in conjunction with the full course structure, unit prerequisites and enrolment options as outlined in the [Handbook](#). Students should note that due to unit prerequisites, commencing study in Semester 2 may extend the duration of the course. This information is correct as at DD/MM/YY.
