CSL576 has pre-requisites of CSL582 and CSL566. Students may be required to extend their training across further semesters if they are unable to successfully complete pre-requisites.	Mid-Year Intake not recommended for students intending to progress to the Master of Counselling. It is recommended that students commence the Master of Counselling in S1 to allow the option for either a year-long solo research project (CSL620) or a year-long group research project (CSL677).

Please note: This course plan is a sample only and must be read in conjunction with the full course structure, unit prerequisites and enrolment options as outlined in the [Handbook](#). Students should note that due to unit prerequisites, commencing study in Semester 2 may extend the duration of the course. This information is correct as at DD/MM/YY.
