

**Course Plan – Commencement Semester 2, 2020**

**M1122 Master of Veterinary Studies in  
Conservation Medicine**

**24 points**

**Associate Professor Kristin Warren**

	<b>Semester 1</b>	<b>Semester 2</b>
<b>Year 1</b>		<b>VET630 – Conservation Medicine</b> Other core units or specified electives as detailed in the Handbook
<b>Year 2</b>	<b>VET631 – Wildlife Medicine</b> Other core units or specified electives as detailed in the Handbook	
NB: the listing above is for full-time enrolment. Students studying part-time should enrol in the core units VET630 in Semester 2 and VET631 in Semester 1 and then enrol in other core and elective units in part-time mode over subsequent years.		

**Disclaimer:** This course plan is a sample only and must be read in conjunction with the full course structure, unit prerequisites and enrolment options as per the online [Handbook](#) . This course plan will vary depending on chosen minors and your academic progression.

Students should note that due to unit prerequisites, commencing study in Semester 2 may extend the duration of the course.
