Course Notes
This course plan is for students commencing their course in Semester 2 2025.
***TLC501:** This unit aims to improve students' postgraduate study skills. It is particularly relevant for students who haven't previously studied at an Australian university. If you don't want to take this unit, please contact your Academic Chair, Mr Allan Johnstone to discuss alternatives.
Specified electives: Please see the Handbook for the list of specified electives in the Master of Sustainable Development. Prior to each semester, your Academic Chair will send you an email with information and recommendations regarding specified electives to choose from.

Please note: This course plan is a sample only and must be read in conjunction with the full course structure, unit prerequisites and enrolment options as outlined in the Handbook. This information is correct as at 12/05/2025.
