Notes

Students may select the case study, work placement or project in their final semester but GPA restrictions apply to the placement and project.

*Students progressing to BIO629 and with the required GPA should select MMF600 here.

**GPA restrictions apply to these units. Please see Academic Chair to discuss.

Part time students should aim to complete the core units first.

Please note: This course plan is a sample only and must be read in conjunction with the full course structure, unit prerequisites and enrolment options as outlined in the [Handbook](#). Students should note that due to unit prerequisites, commencing study in Semester 2 may extend the duration of the course. This information is correct as at 01/06/25.
