

M1313 Masters in Education MJ-ELED - Major in Teaching English (Years 7-10)

Sample Course Plan – Semester 1, 2023 commencement

The recent move to elevate Year 7 into high school curriculum means that a lot of Primary teachers need an extra qualification to teach English in high school. They need an understanding of the pedagogy/curriculum of English. The Graduate Certificate in Education Teaching English (7 - 10) is designed for qualified teachers who are interested in upskilling in this area.

This course aims to provide a mix of pedagogical, curriculum and content in the area of Lower Secondary English for years 7-10 in the Western Australian school curriculum.
