

Purpose and Scope

Murdoch University is committed to the health, safety and wellbeing of all staff, students, contractors, volunteers, visitors and/or workers.

The Health and Safety Policy applies to all Murdoch University campuses and all staff, students, contractors, volunteers, visitors and/or workers. The policy also applies to staff and students who engage in university activities outside the location of Murdoch University campuses and facilities.

Policy

Key principles confirming Murdoch University commitment to Health and Safety include:

1. Comply with all relevant Work Health and Safety (WHS) legislation.
2. Provide all workers with adequate safety management systems (SMS) which include procedures, plans, resources and an online system to ensure work is conducted in the safest possible manner.
3. Provide all workers and students with a safe and healthy place in which to work or study.
4. Proactive prevention of work related injuries and illnesses combined with a positive culture of health and safety.
5. Provide effective and meaningful communication and consultation with workers regarding issues that affect their health, safety and wellbeing.
6. Manage WHS risks in the workplace through the implementation of a WHS hazard management approach which includes reducing the risk to as low as reasonably practicable to control risks from hazards including psychological.
7. Provide appropriate WHS training and information to workers.
8. Establish measurable objectives and targets to facilitate continuous improvement of health and safety in the workplace with the aim of reducing work related illness and injury.
9. Allocate appropriate resources to management SMS.
10. Periodically review the SMS to ensure effectiveness and appropriateness.
