

Community Membership Form

Community memberships have an annual cost of \$33. Complimentary memberships are available to certain groups and organisations. For more information, speak to Library staff or visit www.murdoch.edu.au/library.

Complete this form and visit the Help Desk at the Geoffrey Bolton Library – ensure you have personal identification to complete your application.

You are invited to use our study and research spaces at any of our locations. We also have a wide variety of quiet and group study areas across four floors at the Geoffrey Bolton Library.

As a member, you may borrow 30 items from our collections for 6 weeks. You can also use open access databases and resources when you are off campus.

When on campus, you can make use of our public access computers where you'll have access to the majority of our online resources and databases.

Parking

Use Carpark 3 visitor parking (located near the South St university entrance) for closest access to the Geoffrey Bolton Library. For more information about parking, visit goto.murdoch.edu.au/visitorparking.
