Bootcamp

Boot camp workouts can vary but generally include a fairly intense mix of strength training and aerobic elements. The Boot camp is a type of interval training – bursts of intense activity alternated with intervals of lighter activity. Delivered by Murdoch Exercise Science Students under the guidance of staff.

547 kcal

Murdoch Moves

Boxing

The Boxing Circuit combines basic boxing fundamentals with interval training to boost your heart rate and burn hundreds of calories. The Boxing Circuit is an all over cardio and strength training workout. This workout combines boxing, strength conditioning, and core exercises to deliver an all-in-one full-body result. Delivered by Murdoch Exercise Science Students under the guidance of staff.

513 kcal

Power Up

Power Up is a 60-minute workout challenges all your major muscle groups by using the best weight room exercises like squats, presses, lifts, and curls. Get the results you came for – and fast!

400–600 kcal

Yoga

Yoga is a holistic style of exercise that uses asanas (poses), breathing and meditation techniques to maximise wellbeing. Yoga is the Sanskrit word for union and focuses on mind/body awareness. We offer two styles of yoga, both are geared to all levels of practitioners.

180–500 kcal

Yogalates

Yogalates is a brilliant fusion of the physical, mindful, and spiritual postures of yoga combined with the core strengthening and alignment of Pilates. It is a holistic training method mixing yoga, Pilates, meditation, and dance. The flow and sequence can be adapted to any level of fitness and tailored to physical requirements, injury, and emotional state.

180–500 kcal

Zumba

Pretty much the most awesome workout ever. Dance to great music, with great people, and burn a ton of calories without even realizing it.

600 kcal

Stretch + Mobility

The stretching and mobility class is exactly as it sounds, a class that focus's on stretches to help you create and maintain a healthy range of mobility. This class is a great way to relax and reduce stress, and is a low impact, fun class for all ages and fitness levels.

450 kcal

Weight Circuit

The Circuit classes are full body workouts targeting aerobic fitness & muscular endurance in our HIIT Circuit, or strength conditioning, technique & form in our Weights Circuit. You'll move around each station working different muscle groups. It's hard work, will challenge you, and caters for all fitness levels, including beginners!

243–414 kcal

Murdoch Moves

Rise & Grind

Conquer the day with our new class that encompasses a combination of core exercises and full body stretches. Our aim is to help you feel revitalised and refreshed in the morning of the mid-week!

500 kcal
